**COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 6  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Services Provided**

Colorado International Center Metropolitan District No. 6 (the "District"), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in Adams County, Colorado. Concurrently with the formation of the District, the City of Aurora (the "City") approved the formation of Aurora High Point at DIA Metropolitan District (the "Management District") and Colorado International Center Metropolitan District Nos. 4, 5, 8, 9, and 10, (together with the District, the "Taxing Districts") (collectively, the "Aurora High Point Districts"). The District was established to provide public streets, traffic and safety, water, sewer, park and recreation, television relay and translation, and mosquito control facilities and improvements for the use and benefit of the inhabitants and taxpayers of the District.

On November 2, 2004, the District's voters authorized total general obligation indebtedness of \$4,820,000,000 for the above listed facilities and powers. On May 3, 2016, the District's voters authorized total general obligation indebtedness of an additional \$6,000,000,000 for the above listed facilities and powers, but the District's service plan limits the total debt issuance to \$400,000,000, with a maximum debt mill levy of 50.000 mills.

On April 7, 2020, and as amended on July 28, 2020, the District, along with Colorado International Center Metropolitan District Nos. 7-10 (collectively, the CIC Districts), HM Metropolitan District No. 2 (HM), and Velocity Metropolitan District Nos. 4-6 (Velocity) formed the 64<sup>th</sup> Ave. ARI Authority Board (the Authority) pursuant to the Amended and Restated 64<sup>th</sup> Ave. ARI Authority Establishment Agreement (collectively, the 64<sup>th</sup> Authority Districts) in order to provide for the financing, construction, and operation of 64<sup>th</sup> Ave. from E-470 to Jackson Gap (the 64<sup>th</sup> Ave. Regional Improvements).

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

**Revenue and Expenditures**

**Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

**COLORADO INTERNATIONAL CENTER METROPOLITAN DISTRICT NO. 6  
2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Revenue and Expenditures (Continued)**

Senate Bill 21-293, among other things, designates multi-family residential real property (defined generally, as property that is a multi-structure of four or more units) as a new subclass of residential real property. For tax collection year 2023, the assessment rate for single family residential property decreases to 6.95% from 7.15%. The rate for multifamily residential property, the newly created subclass, decreases to 6.80% from 7.15%. Agricultural and renewable energy production property decreases to 26.4% from 29.0%. Producing oil and gas remains at 87.5%. All other nonresidential property stays at 29%.

**ARI Mill Levy**

Per the 64<sup>th</sup> Authority Districts’ Service Plans and the Establishment Agreement described above, the 64<sup>th</sup> Authority Districts are obligated to impose the Aurora Regional Improvements Mill Levy (ARI Mill Levy) beginning in 2021 in the amount of 5.000 mills, subject to changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement. The CIC Districts shall commit a portion of the revenue from their ARI Mill Levy to the Authority to fund ownership, operation, and maintenance of the 64<sup>th</sup> Ave. Regional Improvements. The first \$75,000 (adjusted by 1% per year beginning in 2021) (Target Annual Operating Funds) will be used to fund the Authority’s operating account. Per a cost sharing agreement, the CIC Districts are responsible for providing 50% of the Target Annual Operating Funds amount.

**Debt and Leases**

**Developer Advances**

The District’s debt is comprised of developer advances, which are not general obligation debt. As of December 31, 2021, the District has \$11,040 in outstanding developer advances and accrued interest at 8% per annum. Repayment of advances and accrued interest is subject to annual appropriation if and when eligible funds become available. See below for the anticipated developer advance activity.

2023 BUDGET  
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

**Reserves**

**Emergency Reserve**

TABOR required local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR related funds received by the District are transferred to the Management District, which pays for all the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the Management District.

## **ELECTRONIC RECORD AND SIGNATURE DISCLOSURE**

From time to time, CliftonLarsonAllen LLP (we, us or Company) may be required by law to provide to you certain written notices or disclosures. Described below are the terms and conditions for providing to you such notices and disclosures electronically through the DocuSign system. Please read the information below carefully and thoroughly, and if you can access this information electronically to your satisfaction and agree to this Electronic Record and Signature Disclosure (ERSD), please confirm your agreement by selecting the check-box next to 'I agree to use electronic records and signatures' before clicking 'CONTINUE' within the DocuSign system.

### **Getting paper copies**

At any time, you may request from us a paper copy of any record provided or made available electronically to you by us. You will have the ability to download and print documents we send to you through the DocuSign system during and immediately after the signing session and, if you elect to create a DocuSign account, you may access the documents for a limited period of time (usually 30 days) after such documents are first sent to you. After such time, if you wish for us to send you paper copies of any such documents from our office to you, you will be charged a \$0.00 per-page fee. You may request delivery of such paper copies from us by following the procedure described below.

### **Withdrawing your consent**

If you decide to receive notices and disclosures from us electronically, you may at any time change your mind and tell us that thereafter you want to receive required notices and disclosures only in paper format. How you must inform us of your decision to receive future notices and disclosure in paper format and withdraw your consent to receive notices and disclosures electronically is described below.

### **Consequences of changing your mind**

If you elect to receive required notices and disclosures only in paper format, it will slow the speed at which we can complete certain steps in transactions with you and delivering services to you because we will need first to send the required notices or disclosures to you in paper format, and then wait until we receive back from you your acknowledgment of your receipt of such paper notices or disclosures. Further, you will no longer be able to use the DocuSign system to receive required notices and consents electronically from us or to sign electronically documents from us.

### **All notices and disclosures will be sent to you electronically**

Unless you tell us otherwise in accordance with the procedures described herein, we will provide electronically to you through the DocuSign system all required notices, disclosures, authorizations, acknowledgements, and other documents that are required to be provided or made available to you during the course of our relationship with you. To reduce the chance of you inadvertently not receiving any notice or disclosure, we prefer to provide all of the required notices and disclosures to you by the same method and to the same address that you have given us. Thus, you can receive all the disclosures and notices electronically or in paper format through the paper mail delivery system. If you do not agree with this process, please let us know as described below. Please also see the paragraph immediately above that describes the consequences of your electing not to receive delivery of the notices and disclosures electronically from us.

### **How to contact CliftonLarsonAllen LLP:**

You may contact us to let us know of your changes as to how we may contact you electronically, to request paper copies of certain information from us, and to withdraw your prior consent to receive notices and disclosures electronically as follows:
