#### **Services Provided**

Colorado International Center Metropolitan District No. 4 (the District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in the City of Aurora (the City) in Adams County, Colorado. Concurrently with the formation of the District, the City approved the formation of Aurora High Point at DIA Metropolitan District (the Management District) and Colorado International Center Metropolitan District Nos. 5, 6, 8, 9, and 10 (together with the District, the Taxing Districts) (collectively, the Aurora High Point Districts). The District was established to provide public streets, traffic and safety, water, sewer, park and recreation, television relay and translation, and mosquito control facilities and improvements for the use and benefit of the inhabitants and taxpayers of the District.

On November 2, 2004, the District's voter's authorized total general obligation indebtedness of \$4,820,000,000 for the above listed facilities and powers but the District's service plan limits the total debt issuance to \$400,000,000, with a maximum debt mill levy of 50.000 mills.

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

#### Revenue

#### **Property Taxes**

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on page 2 of the Budget, which includes the ARI mill levy (see below).

Interest earned on the District's available funds has been estimated based on prevailing interest rates.

#### Intergovernmental Revenue

The District will receive net property tax revenue from Colorado International Center Metropolitan District No. 5 (CIC No. 5), per a Capital Pledge Agreement entered into between the District and CIC No. 5, which is pledged to the payment of the District's Series 2019A-2 and 2019B-2 bonds (see below).

#### Revenue (Continued)

#### **GID Revenue**

On October 27, 2011 (as amended on April 10, 2019), the District entered into a GID Pledge Agreement with the Aurora Conference Center General Improvement District (No. 2-2011) (Aurora GID), a municipal general improvement district and taxing entity of the City. The Aurora GID comprises certain property that is within the Aurora Conference Center Urban Renewal Area (URA), plus property within the District which is not within the URA. The Aurora GID is authorized to levy an ad valorem property tax (GID tax levy) to finance the construction of offsite public improvements that will service a public conference center in the area. The Aurora GID will submit payment to the District of the collected property taxes and that portion of the specific ownership taxes attributable to the GID tax levy (less that portion of the GID tax levy collected from properties solely within the URA). The GID tax levy has been levied since in 2013 (for collection in 2014) and will continue each year thereafter until the earliest of (a) 2046 (for collection in 2047) or (b) all infrastructure bonds have been fully repaid. Payments received under this agreement by the District will be pledged for payment on the District's Taxable Revenue Bonds – Series 2019A-1.

#### Reserves

### **Emergency Reserve**

TABOR required local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR related funds received by the District are transferred to the Management District, which pays for all the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the Management District.

This information is an integral part of the accompanying budget.
