Services Provided

Colorado International Center Metropolitan District No. 6 (the “District”), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District’s service area is located in Adams County, Colorado. Concurrently with the formation of the District, the City of Aurora (the “City”) approved the formation of Aurora High Point at DIA Metropolitan District (the “Management District”) and Colorado International Center Metropolitan District Nos. 3, 4, 5, 7, 8, 9, 10 and 11, (together with the District, the “Taxing Districts”) (collectively, the “Aurora High Point Districts”). The District was established to provide public streets, traffic and safety, water, sewer, park and recreation, television relay and translation, and mosquito control facilities and improvements for the use and benefit of the inhabitants and taxpayers of the District.

On November 2, 2004, the District’s voters authorized total general obligation indebtedness of \$4,820,000,000 for the above listed facilities and powers. On May 3, 2016, the District’s voters authorized total general obligation indebtedness of an additional \$6,000,000,000 for the above listed facilities and powers, but the District’s service plan limits the total debt issuance to \$400,000,000, with a maximum debt mill levy of 50.000 mills.

On April 7, 2020, and as amended on July 28, 2020, the District, along with Colorado International Center Metropolitan District Nos. 7-10 (collectively, the CIC Districts), HM Metropolitan District No. 2 (HM), and Velocity Metropolitan District Nos. 4-6 (Velocity) formed the 64th Ave. ARI Authority Board (the Authority) pursuant to the Amended and Restated 64th Ave. ARI Authority Establishment Agreement (collectively, the 64th Authority Districts) in order to provide for the financing, construction, and operation of 64th Ave. from E-470 to Jackson Gap (the 64th Ave. Regional Improvements).

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenue and Expenditures

Property Taxes

Property taxes are levied by the District’s Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer’s election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

ARI Mill Levy

Per the 64th Authority Districts’ Service Plans and the Establishment Agreement described above, the 64th Authority Districts are obligated to impose the Aurora Regional Improvements Mill Levy (ARI Mill Levy) beginning in 2021 in the amount of 5.000 mills, subject to changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement. The CIC Districts shall commit a portion of the revenue from their ARI Mill Levy to the Authority to fund ownership, operation, and maintenance of the 64th Ave. Regional Improvements. The first \$75,000 (adjusted by 1% per year beginning in 2021) (Target Annual Operating Funds) will be used to fund the Authority’s operating account. Per a cost sharing agreement, the CIC Districts are responsible for providing 50% of the Target Annual Operating Funds amount.

Debt and Leases

Developer Advances

The District’s debt is comprised of developer advances, which are not general obligation debt. As of December 31, 2020, the District has \$36,127 in outstanding developer advances and accrued interest at 8% per annum. Repayment of advances and accrued interest is subject to annual appropriation if and when eligible funds become available. See below for the anticipated developer advance activity.

Reserves

Emergency Reserve

TABOR required local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR related funds received by the District are transferred to the Management District, which pays for all the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the Management District.
