2022 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Colorado International Center Metropolitan District No. 8 (the District), a quasi-municipal corporation, is governed pursuant to provisions of the Colorado Special District Act. The District's service area is located in the City of Aurora (the City) in Adams County, Colorado. Concurrently with the formation of the District, the City approved the formation of Aurora High Point at DIA Metropolitan District (the Management District) and Colorado International Center Metropolitan District Nos. 3, 4, 5, 6, 7, 9, 10, and 11 (together with the District, the Taxing Districts) (collectively, the Aurora High Point Districts). The District was established to provide public streets, traffic and safety, water, sewer, park and recreation, television relay and translation, and mosquito control facilities and improvements for the use and benefit of the inhabitants and taxpayers of the District.

On November 2, 2004, the District's voters authorized total general obligation indebtedness of \$4,820,000,000 for the above listed facilities and powers. On May 3, 2016, the District's voters authorized total general obligation indebtedness of an additional \$6,000,000,000 for the above listed facilities and powers, but the District's service plan limits the total debt issuance to \$400,000,000, with a maximum debt mill levy of 50.000 mills.

On April 7, 2020, and as amended on July 28, 2020, the District, along with Colorado International Center Metropolitan District Nos. 6,7,9,10, and 11 (collectively, the CIC Districts), HM Metropolitan District No. 2 (HM), and Velocity Metropolitan District Nos. 4-6 (Velocity) formed the 64th Ave. ARI Authority Board (the Authority) pursuant to the Amended and Restated 64th Ave. ARI Authority Establishment Agreement (collectively, the 64th Authority Districts) in order to provide for the financing, construction, and operation of 64th Ave. from E-470 to Jackson Gap (the 64th Ave. Regional Improvements).

The District has no employees and all administrative functions are contracted.

The District prepares its budget on the modified accrual basis of accounting, in accordance with the requirements of Section 29-1-105, C.R.S., using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Revenue

Property Taxes

Property taxes are levied by the District's Board of Directors. The levy is based on assessed valuations determined by the County Assessor generally as of January 1 of each year. The levy is normally set by December 15 by certification to the County Commissioners to put the tax lien on the individual properties as of January 1 of the following year. The County Treasurer collects the determined taxes during the ensuing calendar year. The taxes are payable by April or, if in equal installments, at the taxpayer's election, in February and June. Delinquent taxpayers are notified in August and generally sales of the tax liens on delinquent properties are held in November or December. The County Treasurer remits the taxes collected monthly to the District.

The calculation of the taxes levied is displayed on page 2 of the budget.

Specific Ownership Taxes

Specific ownership taxes are set by the State and collected by the County Treasurer, primarily on vehicle licensing within the County as a whole. The specific ownership taxes are allocated by the County Treasurer to all taxing entities within the County. The budget assumes that the District's share will be equal to approximately 7% of the property taxes collected.

Net Investment Income

Interest earned on the District's available funds has been estimated based on an average interest rate of 0.10%.

ARI Mill Levy

Per the 64th Authority Districts' Service Plans and the Establishment Agreement described above, the 64th Authority Districts are obligated to impose the Aurora Regional Improvements Mill Levy (ARI Mill Levy) beginning in 2021 in the amount of 5.000 mills, subject to changes in the method of calculating assessed valuation or any constitutionally mandated tax credit, cut, or abatement. The CIC Districts shall commit a portion of the revenue from their ARI Mill Levy to the Authority to fund ownership, operation, and maintenance of the 64th Ave. Regional Improvements. The first \$75,000 (adjusted by 1% per year beginning in 2021) (Target Annual Operating Funds) will be used to fund the Authority's operating account. Per a cost sharing agreement, the CIC Districts are responsible for providing 50% of the Target Annual Operating Funds amount.

Expenditures

Transfer to Aurora High Point at DIA

The District will transfer all net General Fund property taxes and other General Fund revenues to the Management District, which will pay for administrative costs incurred by the District.

Transfer to Aurora Regional Improvements

The District will distribute all revenues collected from the ARI mill levy, less treasurer's fees, for payment toward regional improvements.

Capital Projects

The District anticipates transferring project funds to the Management District to fund capital expenditures.

Debt and Leases

The District issued its Series 2020, Limited Tax General Obligation Bonds on September 16, 2020 in the par amount of \$47,144,000. Proceeds from the sale of the Bonds will be used to finance public improvements related to the development of property within the Districts and to pay costs of issuance.

The Bonds bear interest at the rate of 6.500% per annum and are payable annually on December 1, beginning on December 1, 2020, but only to the extent of available Pledged Revenue. The Bonds mature on December 1, 2050 and are subject to mandatory redemption to the extent of available Pledged Revenue.

The Bonds are structured as cash flow bonds meaning that there are no scheduled payments of principal or interest. Unpaid interest on the Bonds compounds annually on each December 1. In the event any amounts due and owing on the Bonds remain outstanding on December 2, 2060 (the "Termination Date"), such amounts shall be extinguished and no longer due and outstanding. Therefore, no debt to maturity schedule is provided with this budget.

The Bonds are subject to redemption prior to maturity, at the option of the District, on September 1, 2025, upon payment of par, accrued interest, and a redemption premium of 3% and on any date thereafter, with a redemption premium declining 1% per year for the next two years and no redemption premium thereafter.

The Bonds are secured by and payable from District Pledged Revenue and District No. 9 Pledged Revenue.

Pursuant to the Indenture, District Pledged Revenue means:

Repayment of advances and accrued interest is subject to annual appropriation if and when eligible funds become available. See below for the anticipated developer advance activity.

Reserves

Emergency Reserve

TABOR required local governments to establish Emergency Reserves. These reserves must be at least 3% of fiscal year spending. Since substantially all TABOR related funds received by the District are transferred to the Management District, which pays for all the District's operations and maintenance costs, an Emergency Reserve is not reflected in the District's budget. It is reflected in the Emergency Reserve of the Management District.

This information is an integral part of the accompanying budget.
